“How to Lose at the Employment Tribunal”

Our employment breakfast 2017 is aimed at all those practicing and otherwise interested in employment law. We are planning on an informative and relaxed breakfast at £15 for 2 hours' CPD.

PROGRAMME

8.30am - 10.30am How to Lose at the Employment Tribunal: A Practitioner's Guide

Barnaby & Ian will be discussing “How to Lose at the Employment Tribunal”.

Within this topic, he will identify numerous examples from the raising of a grievance or disciplinary to closing submissions to an Employment Judge, sharing the trials and tribulations awaiting unprepared litigants and practitioners.

The talk is aimed at practitioners with some exposure to employment tribunal litigation but should also be useful for human resources and trade union representatives.

Whether it's an employer's choice of decision maker, the essential documents to steer your case in the right direction or the potential traps to be found in the ACAS Code of Practice, Barnaby will seek to share examples in case law and from his experience of the most efficient ways to avoid getting caught out.
